ORDER AN INCOME NOW.

Do Not Fear Old Age or Misfortune.

Have you provided for the future of your family? You will probably reply "Certainly, I have a life insurance policy." That may mean a great deal to those who rely upon you, but what about yourself? What if you reach that time of life when the power to earn money is practically over, and you are afflicted with sickness which often accompanies old age? Or worse, suppose you are overtaken by ill-fortune before reaching a ripe old age? And in either event, what will happen to you and yours? You might even allow the life insurance policy to lapse in the need of the money for urgent necessities. Then you wouldn't be worth much from a financial standpoint, dead or alive.

Be provident now. Make the right beginning at once with whatever amount of money you care to reserve from your pay, and though you may not be independently rich, you will soon possess a steady income from your money which is working for you, and the future will hold no terrors.

The Salt Lake Security & Trust company, of which F. E. McGurkin is the president, will guarantee you six per cent interest on every dollar invested through them, will guarantee the security, which you may hold if you so desire, and, in fact, will give you an opportunity to make a conservative lasting investment with no trouble to you, and free of the risk you take in speculation, with the guarantee to double your money in twelve years. The Security Trust Building is the headquarters of the company, where you may transact your business Monday evenings if you haven't time during the day.

One big convention each month, besides many small ones, will be Colorado's record this summer. For the benefit of convention visitors, the Colorado Midland Railway has issued special books and pamphlets, telling of the most attractive mountain resorts. If interested, write C. H. Speers, G. P. A., Denver, or call at their new office, 77 West 2nd South Street, for information regarding side trips, rates, etc.

UNIQUE PLACE TO EAT.
